

Discover how we can support teaching practice and classroom learning.

Teachers from local primary and high schools are invited to join us for an engaging one-hour information session to explore how the Coffs Harbour Libraries and Yarrila Arts and Museum (YAM) can enhance classroom learning. Discover a range of resources, programs, and strategies to maximise the impact of your visits and make the most of the services available to you and your students. This session is designed to inspire and equip you with tools to create meaningful learning experiences.

Afternoon tea will be provided, offering an opportunity to network with fellow educators. We look forward to seeing you there!
